

Hair of the Dog ~ COVID-19 Policy

Hair of the Dog is committed to providing a safe environment for our employees and customers, as such we are working hard to adapt to the “new normal” through adjusting our practices in order to follow all regulations and guidelines from Ontario Public Health and Toronto Public Health.

What WE are doing for the health and safety of our employees and customers:

- Protective face masks will be worn by employees at all times and serve you from a safe distance.
- Frequent sanitation of our restaurant including the dining & patio area (all chairs & tables), kitchen counters, washrooms, credit card machines and all other high touch areas.
- Hand sanitizer is available for our guests.
- Plexiglass barriers have been installed in the dining rooms.
- Floor markers are in place to manage customer traffic and ensure physical distancing.
- We will be limiting the number of customers in our restaurant at a single time.
- All employees answer our health check questionnaire and temperature check prior to beginning their shift.
- Employees are reminded to avoid touching their face and to frequently wash their hands with soap and water.

What YOU can do for the health and safety of our employees and fellow customers:

- If you are feeling unwell, please stay home. Order online.
- Following Ontario Health & Safety, all customers and employees **must** wear a mask while indoors and not at a table. If you are unable to wear a mask or face covering to your table due to health reasons, please inform the host and we will work to accommodate you by offering an alternative entrance to our patio, or by bringing your online order outside for curbside pickup. Proper mask (cover nose, mouth and chin) wearing is 100% mandatory inside the restaurant.
- Consider paying with debit or credit card to reduce physical contact with our staff

We appreciate your overwhelming support for our restaurants and know that we can make it through this together.
